

Annual 47 C.F.R. § 64.2009(e) CPNI Certification

EB Docket 06-36

Annual 64.2009(e) CPNI Certification for [2007]

Date filed: [09/08/2008]

Name of company covered by this certification: [Total Communication Systems, Inc.]

Form 499 Filer ID: [815152]

Name of signatory: [Robert A. Kinder]

Title of signatory: [President]

I, Robert A. Kinder, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See 47 C.F.R. § 64.2001 et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. Companies must report on any information that they have with respect to the processes pretexters are using to attempt to access CPNI, and what steps companies are taking to protect CPNI.

If affirmative: We have not had contact with data brokers.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI (number of customer complaints a company has received related to unauthorized access to CPNI, or unauthorized disclosure of CPNI, broken down by category or complaint, e.g., instances of improper access by employees, instances of improper disclosure to individuals not authorized to receive the information, or instances of improper access to online information by individuals not authorized to view the information).

09/08/2008

Total Communication Systems, Inc. is a small paging and G.M.R.S provider operating in upstate South Carolina, in 2007 our total number of units in service where less than 3000. As such our firm has total control over customer records and information. Our company policy is that no one will ever be provided information of any sort concerning any of our customers for any reason. All records are maintained in a central storage location and secured. This policy of course does not apply to properly issued and served subpoenas by law enforcement agencies. By following this policy we are in full compliance with CPNI regulations.

Sincerely,

Robert A. Kinder
President TCS
